Subject: Protest Docket 2018-361-S

We would like to file a letter of protest about Carolina Water Service's CWS proposal that came in the mail to charge us more than \$150 per household in Forty Love Point for accessing and cleaning our septic tanks, docket 2018-361-S.

There was a CWS employee sleeping in his truck abdcwaz there doing nothing for about 12 hours "waiting" on a larger pump truck. I'm not sure why this company is allowed to provide us with terrible service and then charge us for their inability to manage their business properly. We are stuck with them, we don't have the luxury of choosing a better company to serve us. We fought for years to get clean water that wasn't brown and full of bacteria, and now our bills have doubled since they are using Columbia water. My water bill is over \$200 a month and I have friends in Columbia that pay less than \$50. This situation is extremely unfair and we can't afford another increase in our water bill.

Thank you,

Robert & Nancy Williamson
